

# HAVE YOU SEEN THIS BENCH?

This bench has been missing from the park at Rackett Lane in Essex since some time in February. The bench was made by Jeff Going for Judy Ozimek who cares for the park. Judy mows the grass, plants flowers, etc. The land was cleared in 1993 by Dot and Andy MacWhinney and Judy. The bench had been there 12 years and is sadly missed. The park is the site of the former South District School House.

If you have any information regarding the location of this bench, please contact the Essex First Selectman's Office at 767-4340 x112.

Thank you.
